

# Local citizens' option to purchase wind turbine shares

Information meeting

On 29 October 2013 the Danish Energy Agency hosts an information meeting on "Local citizens' option to purchase wind turbine shares". After this, the scheme on "Loss of value to residential properties due to the erection of wind turbines" and the incentives scheme for more local ownership will be mentioned briefly.

Besides the Danish Energy Agency, the Danish TSO Energinet.dk and the Danish Financial Supervisory Authority will also be present.

The meeting will be held in Danish at 2-4 PM. If there are enough people interested the meeting will be conducted in English at 10-12 PM as well.

## Agenda

### *Presentations in English*

10:00 Welcome

**10:10** Local citizens' option to purchase wind turbine shares (Danish Energy Agency)

**10:50** Prospectus regulation (Danish Financial Supervisory Authority)

**11:10** The administration of the local citizens' option to purchase shares (Energinet.dk, Danish TSO)

**11:35** Loss of value to residential properties and the incentives scheme for more local ownership (Danish Energy Agency)

## Time and Venue

The meeting in english will be held October 29, 2013 at 10-12 AM  
Danish Energy Agency, Amaliegade 44, København K

Registration preferable before 23 October 2013 to [offshorewind@ens.dk](mailto:offshorewind@ens.dk)

## Background

The expansion of 450 MW nearshore wind power in Danish coastal areas is part of the Danish political energy agreement from March 2012
