

Fifth Latin American Regional MAIN Dialogue on the development of NAMA's was held in Peru, Lima July 23 - 25

LCTU participated in the [Fifth Latin American Regional Dialogue](#) of the Mitigation Action Implementation Network (MAIN), sponsored by [Center for Clean Air Policy \(CCAP\)](#). The CCAP MAIN initiative is made possible through the support of Germany ICI, the Danish Ministry of Climate, Energy and Building, and Environment Canada.

This dialogue in Lima builds on previous meetings of the MAIN network and goes deeper substantively into two sectors in particular: waste and clean energy.
