

Danish Energy Agency

# The Danish Ministry of Climate, Energy and Building and Center for Clean Air Pollution (CCAP) hosted a Global NAMA Financing Summit in Copenhagen from May 15-17 2013

The event on Global NAMA Financing in Copenhagen will convene high-level representatives from developing countries and key contributing countries, along with private-sector investors, and other financial institutions, with the goal of discussing financing for the implementation of Nationally Appropriate Mitigation Actions.
