3. Clarification

Deadline for submitting answers

Please note – there is an error in the “Invitation to dialogue” document on page 5. The correct latest date to submit your written answers is 12 of September.

Written answers to our question or comments to the DEA and Energinet should be send by e-mail to Energyislands-eob-owf@ens.dk. Please use the latest Excel file “Input to market dialogue OWF 2022 updated 19-08-2022” on the market dialogue page at www.ens.dk/energy-island-bornholm-pro-curement to send your input.

Regarding PtX

Please be aware that development of PtX solutions is not a part of the projects. Tenderers must on own initiative as a separate project develop PtX under current legislation.

The DEA will send a list of participants, final program and instructions on how to participate online at the beginning of week 34.
