2. PARTS OF THE TENDER THAT ARE CONFIDENTIAL

[[Please state which parts of the offer should, to the extent possible, be kept confidential and exempted from access to documents. It is noted that the DEA after notification to all tenderers of the award decision– despite the tenderer’s possible statements regarding confidentiality and without the specific consent from the tenderer(s) and/or hearing of the tenderer(s) – might publish certain information on the tenderer(s) who is awarded Contract(s) (e.g. the tenderer’s subsidy per tonne CO₂ excluding VAT, i.e. the Offered Rate stated in Appendix 6, Offered Rate, Contracted Quantity and baselines), if necessary to comply with the transparency requirements set out in the European Commission’s Guidelines on State aid for climate, environmental protection and energy 2022. Reference is made to the Tender specifications paragraph 16 for further information.]

3. DECLARATIONS

[[The tenderer must submit the declarations below with the offer, see also the Tender specifications paragraphs 13.1.2 and 15.1. Concerning item e) regarding other aid, the tenderer must check the relevant box]]

- a) The tenderer declares that the tenderer has complied with any and each requirement to repay aid which the European Commission, in a previous decision, has declared illegal and incompatible with the internal market.
- b) The tenderer declares that the tenderer is not an undertaking in difficulty as defined in point 20 in the Commission Communication on Guidelines on State aid for rescuing and restructuring non-financial undertakings in difficulty (Official Journal of the European Union, C 249, 31.7.2014, p. 1).
- c) The tenderer declares that the tenderer will notify the DEA if anything should change regarding the two declarations above in this section in the period between the submission of the offer and the signing of a Contract on subsidy for carbon capture, transport and Storage if the tenderer should be awarded such contract.
- d) The tenderer declares that the tenderer has made no firm commitments, for example, to order equipment or start construction, which would make the project irreversible at the time of submission of the tenderer’s offer.

e) The tenderer declares that:

The tenderer has not received or applied for any aid – including other State aid, de minimis aid and aid from centrally managed EU funding – for the same costs as those included in the project other than the aid to be paid under the Contract.

The tenderer has either received or applied for aid – including other State aid, de minimis aid and aid from centrally managed EU funding – for the same costs as those included in the project other than the aid to be paid under the Contract.
