Annex E: Application Form

Instructions

This annex sets out instructions on how to complete the attached application form.

The application shall be in Danish and be submitted in one original copy signed by the natural persons who are empowered to sign for the bidder or who are otherwise authorised to bind the bidder. Two copies of the application shall accompany the application. The bidder is also requested to supply a non-binding English translation (one paper copy only). Bidders are also requested to provide a USB key with copies of all Danish and English documents submitted in Adobe Systems Portable Document Format (pdf).

Applications should only be submitted within the specified hours. If these matters are not complied with, the application may not be accepted.

The Application shall consist of the following documents:

Form reference	Instructions
	A completed and signed application form with associated documents.
	Bank guarantee for deposit.
Annex G	A copy of a Bidder Declaration prepared by the Danish Energy Agency, signed by one or more natural persons who are empowered to sign for the bidder or who are otherwise authorised to bind the bidder.
1	This section provides a checklist of all of the documents required to accompany the application.
